

Preschool Schedule

Lead Teacher - Ms. Emily

7:00 AM: Open

7:15 AM: Breakfast served

8:00 AM: Breakfast Ends

8:00 AM: Morning Free-Play

During their morning free play, the kids have access to our upper lofts which include cars, dinosaurs, and additional space for centers. They also can participate in our centers, which are individual bins filled with educational toys, games, blocks, etc that promote writing practice, fine motor skills, math, and literacy.

9:00 AM: Circle Time

Circle time has many benefits for development such as social skills, creativity, feeling comfortable in group settings, cognitive development, and so much more. During this time a teacher will lead the class in going over: the date, days of the week in both English and Spanish, months of the year, weather, letters, shapes, numbers, counting by ones, tens, fives, and twos, a song of the week (usually including a dance or movements to go along with it), and anything else the teacher sees fit.

9:30 AM: Potty / Diapers (If applicable) & Snack

10:00 AM: Lessons:

We have the students divided into 3 academically-based groups for their lesson time. Each group will have daily lesson that includes a worksheet or activity that focuses on math, literacy, and/or handwriting. While waiting for their lesson the kids will do centers and an additional teacher-lead activity.
